**Which Way? That way!**

**Location: Botswana**

**CANVAS: 24 x 18**

While sightseeing, and slightly lost, I came across a father and his children. They looked at us with curiosity and quite friendly. I walked up on them and being the spiritual person I am, asked “excuse me, which way is the camp site?”. They looked at me and in one action, they all gave directions. Needless to say, that didn’t work. That is my story, and I am sticking to it!
